

Coastlink

Coastlink Tallinn
Thursday 4th & Friday 5th June 2009

In the current economic climate, do we stop talking to one another, stay at home and hope the sun shines again sometime in the future? Or do we take the bull by the horns and go to Coastlink to meet people in the same boat and come up with positive ideas and how we can get our Companies to move forward in a positive climate?

Coastlink Tallinn has to lay a course for the future bringing as Coastlink conferences always do, ports, shippers and shipping lines together to forge new alliances and cost effective, value for money solutions.

SPRING SYMPOSIUM FEES

350 EURO – member

450 EURO – non member

On 4th June the Spring Symposium will be held in the Tallink Hotel close to the City Centre and on the 5th delegates will be transferred by coach to the Tallinn Port Authority Building at Muuga Harbour where our discussions will take place. At the end of the session on day two coaches will either return to the hotel in the City Centre for those staying the weekend or the airport for delegates connecting with flights on the Friday afternoon.
